

Skilled-Jobs

From Electricians to Site Leaders to Engineers to Plumbers,
we've got your next Skilled-Job

Skilled Jobs is the only recruitment website dedicated to Skilled work in the UK,
offering a wide selection within a simple and easy to use site.

Why Advertise Your Jobs With Us?

- We're new and independent
- We only run this website, focussing on one industry offering recruitment advertising at a lower cost.
- Skilled-Jobs is the only site just for Skilled Workers, so you get more relevant applications, better value for money and less time spent on wading through inappropriate CV's.
- Reach the candidates that other recruitment websites cannot reach
- Ever wished you could specifically target job seekers?
Well skilled jobs will account manage each position, matching candidates to relevant positions.
- Our sophisticated advertising software targets specific candidates with relevant skills.

Job Posting

- The best way to get your job online is to email the job details (the advert) with a logo to Adverts@Skilled-Jobs.com. This will be online within 48 hours, reaching thousands of candidates across the UK.
- For bulk details and account setup, please email our sales team on Sales@Skilled-Jobs.com. Alternatively call us on 07505 726 226.
